LOT 58 - Mauser M410 .22 cal. Bolt Action Rifle with Hensoldt Wetzlar Scope

Description

Serial Number 214702, The rifle has an interchangeable beaded blade front sight and fully adjustable rear sight. There are claw mount scope bases on the receiver with a Hensoldt Wetzlar Ziel-Dialyt 4x scope. The trigger is serrated and the trigger guard is checkered. The Schnabel tipped walnut pistol grip stock is checkered and has the Mauser logo stamped on the right side of the buttstock along with a hard rubber buttplate. With a brown leather sling. Excellent, 95% plus of the original blue finish remains with some minor muzzle and trigger guard wear. The safety lever has been trimmed to function with the scope attached. The stock is very good with scattered light scratches and dings overall. Mechanically excellent. The scope has clear optics. Sling is fair.
